

COVID19 Reopening Safety Protocols:

Keeping our students and coaches safe

Protocols for Coaches:

- Complete COVID-19 cleaning checklist between classes
- Take & confirm temperature is below 100.4 before arriving to work
- Wear a face mask at all times
- Confirm parent permission regarding spotting students
- Sanitize hands before touching or spotting a student
- Keep the doors/windows open for additional ventilation
- Remain 6 feet away from parents at drop off & pick up

Protocols for Students:

- Students enter the gym one at a time
- Confirm student temp is below 100.4 at drop off
- Place disinfectant between stations
- Students do not share supplies or toys
- Masks are required when entering and exiting, moving between stations, and for water/ bathroom breaks
- Students remain 6 feet apart

Please contact management for additional questions or concerns
